JOIN US IN OUR SUPPORT OF FARMERS!

FarmOn! Foundation is working to re-establish the cultural value of farming and preserve the family farm in America. We do it for our health, for our children, and for the economy of our local communities.

OUR MISSION

FarmOn! Foundation is dedicated to bringing awareness to food choices and sources, reinvigorating respect for farming, inspiring young people to choose agricultural careers, and creating an economic engine connecting rural and urban marketplaces to rebuild local economies.

WANT TO CHANGE THE FOOD SYSTEM? START WITH KIDS CONNECT 'EM TO SEED + SOIL

Pledge to the FarmOn! Foundation and support Youth Educational Programming

FARM ON! MILKY MONEY

Cow to kid in 36 hours—our campaign to bring local milk to local schools. Thanks to FarmOn!, thousands of students are drinking fresher, healthier milk each day from their own communities. Thousands more deserve that benefit too. We have brought local milk to 15 regional school districts, help us add 8 more next year.

COST: \$100,000

EDIBLE EDUCATION

FarmOn!'s Victory Gardens connect the farm to the classroom with our on-site gardens providing students hands-on experience in community gardening, nutrition, and environmental sustainability.

COST: \$6,500 per school

FUTURE FARMERS @ EMPIRE FARMS

Empire Farms, the newly established educational farm in Copake, fosters an entrepreneurial approach to farming for the next generation. Young farmers-in-residence study best-practice farming and the business and economics of the modern food industry. In collaboration with the State University of New York.

COST: \$10,000 per student, per season for room, board and insurance.

Pledge your support to FarmOn! Foundation and help to continue our important work.
