In continual commitment to supporting local and organic agriculture in the Hudson Valley, ABC Kitchen is excited to announce the fourth season of #ABCSA, our step into Community Supported Agriculture, in partnership with the FarmOn! Foundation and Hudson Valley Farms.

We would like to offer our ABC Kitchen guests the opportunity to partake, supporting the Slow Food movement, by purchasing local, seasonal foods directly from our farmers to procure same day harvest. #ABCSA has 100 shares available, that not only include produce from the Hudson Valley, but also recipes and tips from Jean-Georges Vongerichten and the chef team at ABC Kitchen, exclusive reservation access to ABC Restaurants and invites to FarmOn! events.
